

Lili

Lili is a short stop motion animation on Vimeo by TOM & HANI. The music is by Gil Landau.

From the site:

“Lili refuses to let go of her childhood and fights a sandstorm that threatens to take it away. In the heart of the storm she rediscovers the joy of childhood, but forced to choose between illusion and reality.”

DISCUSSION

Before the movie, discuss these questions:

When you were a child what did you used to

read?
drink?
play?
watch?
hate?
eat?
own?
study?

When I was a child I used to have a lot of dolls. I would bring them with me everywhere. I do not have them now. I don't know what happened to them.

After the movie, discuss these questions:

What did you think of the movie?

Do you miss childhood? What about being a child do you miss?

What do you still own from childhood?

What 'toys' do you have now? do you think things like 'iPhones' are just toys?

Do you feel 'grown up'?

What was your favorite part of the movie? Is there any part you didn't like?

What was your favorite toy as a child?
